Artistic
nature

A collection of glazed vitrified tiles fabricated from the artistry of nature to furnish classy interior style.

EFFO
GLAZED VITRIFIED TILES

Affordable surfaces for stylish living

Elements narrate vividly how the world came into existence, how the mesmeric eminence of nature unfolded, and how the creation took its course. The evocative impressions of nature are the odes of expression and articulation of the creation. We translate the same expression through spectacular craftsmanship to create surfaces that evoke luxury and style for modern space.

The Effen collection of glazed vitrified tiles is specially designed for urban structures. These tiles with their lavish designs deliver extravagant appeal at an affordable price. With the Effen collection, having an interior that reflects inspiration, passion for design and luxury is made possible for everyone.
